Our Reference: SUHMS Affiliate Status 2021

Dear Dr Camponovo, dear Dr Wölfel,

For the year 2020, SUHMS was granted a "Affiliate Society" status, whereby SUHMS members can become EUBS members at a reduced price.

For 2021, we have the pleasure to continue offering you the present agreement, as follows:

1. SUHMS members will get a 10% discount on Full Membership (€ 120,00 – discounted to € 108,00) or Full Membership with DHM Journal Print Service (membership fee € 160,00 – discounted to € 144,00).
2. SUHMS members will be able to select "SUHMS membership discount" on their EUBS renewal form, and then will automatically be granted a 10% discount on the EUBS membership plan chosen.

At the end of their membership term, each "SUHMS" EUBS member will get a timely (e-mail) reminder from our EUBS Database to renew their membership. They can then again select the "SUHMS membership discount" and pay the reduced fee directly to EUBS.

We would be happy if you would announce this agreement on the SUHMS website, so your members know exactly how to proceed. If you wish, you can add a small EUBS logo, please contact us if needed and we will send you a logo to use.

The Group Membership reduction will be automatically prolonged for the next year (with a letter similar to this one) depending on the number of SUHMS members that were EUBS members in 2021. This 10% will be maintained if the number of "SUHMS" memberships was higher than 20 during 2021, and will be 5% reduction in case only 10-20 "SUHMS" members were listed.

We would like to thank you and look forward to working together in 2021.

Yours sincerely,

For EUBS ExCom,

Dr Ole HYLDEGAARD, MD, PhD
EUBS President
